Workforce Recovery Conversation

Lancaster and Morecambe College, Morecambe Rd, Lancaster LA1 2TY Thursday 22 February 2018, 2pm-4pm

In recognition of the workforce shortage within health and social care which is undoubtedly one of the biggest challenges that we collectively face, this follow up event will further address the question “How do we create a structure that encourages people to see the care sector as a lifelong career?” Focussing on the key output from the previous event, related to the image of the sector and an absolute recognition the sector can do more as partners together.

Skills for Care data from 2017 has found that a workforce of 46,000 staff are employed in social care across Lancashire & South Cumbria.

Medicines Optimisation

An Enhanced Health in Care Homes ‘Learning from vanguards’ WebEx took place on 17th of January, which focused on “Medicine Optimisation”. Below are the slides used for the presentation.
