**"My little one
isn't feeling well.
What should
I do?"**

When your child is poorly
accessing the right service
at the right time is vital.

Look for the Alder Hey
symptom checker for
easy-to-understand advice for
children's health issues. NHS
online can also advise when to
keep them home and when to
seek help.

Find out more
here about
how good
health can
start online.
