

## Appendix 3 – Community Groups Equalities Activity

This document outlines a list of community organisations the programme reached out to who were identified as groups of people that were underrepresented in the response to the consultation and identified in the EQIA. These were all contacted to signpost people to relevant consultation materials and ways to get involved.

Single mums across all Sefton & West Lancashire but special attention needed in Skelmersdale & Southport:

- Trinity SNAP group
- Southport Ormskirk Sefton MVP
- Parenting 2000
