

Integrated Community Stroke Rehabilitation

Service Specification Review

Greater Preston CCG, Chorley and South Ribble CCG, Morecambe Bay CCG, Fylde & Wyre CCG and Blackpool CCG have been successful with their business cases commissioning an integrated community stroke rehabilitation service.

A joint review of the service specification is now being undertaken to support and reflect the new service. Several task and finish groups have taken place to facilitate this process and further engagement with staff will be taking place through Autumn 2019.

Training Videos

A small task and finish group with clinical representatives across Lancashire and South Cumbria has been formed to produce training videos for rehabilitation stroke staff. Filming is due to commence towards the end of 2019.

If you would like to be involved in developing these training videos please contact:
lsc.strokeprogramme@nhs.net

Training Opportunities

Currently all training events for 2019 are fully booked. Please visit our website over the next few months for 2020 training opportunities.

Establishing an Integrated Stroke Delivery Network

The Continuous Improvement team at Lancashire Teaching Hospitals are leading on the development of an ISDN with support from the stroke programme and colleagues across Lancashire and South Cumbria.

Key Messages

Stroke Programme

Stroke Artificial Intelligence

A task and finish group took place on 23 September to start to map the impact of introducing artificial intelligence for imaging of stroke patients.

A service specification has now been drafted to outline clinical/technical requirements of an AI solution and an evaluation session has been arranged for 29 November to review and evaluate the AI software solutions.

Stroke Masterclass 09 October 2019

A multi-disciplinary information and training day open to all staff in stroke services took place on 09 October. Over 80 staff members across Lancashire and South Cumbria attended.

Thank you to all presenters and attendees on the day. The presentations from the day will be circulated.

If you attended on the day and would like to leave feedback please complete our survey:
