Title	Name
Group Chair	Dr Ailyn Garley
NWCSCN Clinical Lead	Dr Gerry Skailes

## ACHIEVEMENTS 2016/17

Project title	Detail	Date achieved	Improvement made?
Revision of Terms of reference Documentation	Terms of reference changed to reflect the new remit of the group.	30.11.16	
Prophylactic Mastectomy Guidelines	A Prophylactic Mastectomy guidelines group has been set up to ensure patients receive the best care across England, which a number of the L&SC members are inputting into.		
Level 3 Service Implementation	Level 3 service now operating in Barrow-in-Furness so the full area is now covered by CancerCare.	January 2017	
	A 'Positive Living Group' started in South Cumbria covering a number of illnesses, including cancer, where the main carer is also invited to attend. Evaluated well and can be replicated in other network areas.	2016
