Re: Your request for information under the Freedom of Information Act 2000
Ref no: FOI-3403-LSC

Thank you for your request dated 01 August 2023

We can confirm that the ICB does hold the information you requested.

Please find our response to your questions below:

Provider Collaboratives across the country vary in composition. I am aware of the policy related to this that mandates membership by Acute and Mental Health NHS Trust/Foundation Trusts, and the fluid nature of some arrangements.

1. Please name the current Provider Collaboratives within your ICB

Where possible, please identify the areas of focus for Provider Collaboratives within your ICB e.g. if the alignment is a patient-related theme such as cancer services or maternity rather than geographical alignment

Information on Provider Collaboratives can be found on Lancashire and South Cumbria's ICB Website - [LSC Provider Collaborative :: Who's involved](#)
