Patient Medical Sharps Collection and Disposal	The ICB and local authority partners have received queries and complaints regarding patient sharps collection and disposal (a local authority responsibility). Current arrangements are being reviewed and discussions are taking place with relevant local authority colleagues.	Engagement with relevant local authority partners to ensure arrangements are in place and publicised.		
Special Allocation Scheme (SAS) – National Response	Special Allocation Schemes (SAS) are in place to provide primary medical services for patients who have been removed from their GP list following an incident which has been reported to the police. The Group noted the national SAS review recommendations and agreed the ICB response. This response builds on an LSC SAS workshop in October 2023 which identified actions including scheme awareness and information sharing.	Delivery of response to recommendations, including workshop actions.		
Special Allocation Scheme (SAS) - Appeals Panel Terms of Reference	The Group approved the terms of reference for the SAS appeal panel. Patients who are placed on the SAS have the right to appeal their placement on the scheme.	Terms of reference to be reviewed in no longer than 12 months.		

The Group agreed the terms of reference for the SAS review panel. Delegated The Group received an update on the revised local delegated services Framework assurance framework reporting process. The Group approved the content of the local delegated services assurance framework for quarter ending December 2023. Assure

	The Pharmaceutical Services Group approved the request to move to One Penketh Place, Skelmersdale, WN8 9QX.	
	The group were asked to approve the request received from Whitworth Chemists Ltd to consolidate the pharmacy premises from 200 Kingscote Drive, Blackpool, FY3 7EN onto 292-294 Waterloo Road, Blackpool, FY4 3AG. There is also confirmation that the consolidation would not result in a gap in provision, citing the Pharmaceutical Needs Assessment (PNA) and that both premises are within the same Health & Wellbeing Board (HWB).	
	Whitworth Chemists Ltd has confirmed within their rationale that services that are currently provided will be maintained with no interruption to opening time.	
	The Pharmaceutical Services Group approved the request and grant application for the consolidation of the pharmacy premises from 200 Kingscote Drive, Blackpool, FY3 7EN onto 292-294 Waterloo Road, Blackpool, FY4 3AG.	
Whitworths Chemists Ltd (FKG13/FAQ62) – Application for Consolidation onto an Existing Site excepted application (Regulation 26A)	The group were asked to approve the request received from Whitworth Chemists Ltd to consolidate the pharmacy premises from 80 Charles Street, Blackpool, FY1 3JS and wishes to consolidate onto 93-99 Bloomfield Road, Blackpool, FY1 6JN. There is also confirmation that the consolidation would not result in a gap in provision and that both premises are within the same HWB.	
	Whitworth Chemists Ltd has confirmed within their rationale that services that are currently provided will be maintained with no interruption to opening times.	

Assure	The Pharmaceutical Services Group approved the request and grant application for the consolidation of the pharmacy premises from 80 Charles Street, Blackpool, FY1 3JS onto 93-99 Bloomfield Road, Blackpool, FY1 6JN.	
	The Group are satisfied that the ongoing applications are processed in line with the regulations.

Childrens' Second Pair Policy	The group reviewed the policy that was used by NHS England in the Northwest. The policy provides guidance in relation to the replacement of damaged glasses for children with an identified health condition / learning disability. The group agreed to continue with the policy. There are no additional cost implications associated with the policy.

Quarterly risk-based sampling	The NHS Business Services Authority (NHS BSA) carries out sampling of General Ophthalmic Services claims submitted by contractors on a quarterly basis on behalf of Integrated Care Boards. Sampling is risk based and carried out on a Northwest footprint.		

	50 contractors were identified as potential outliers in the Northwest of which 13 of which are in Lancashire and South Cumbria. The NHS BSA has requested the Northwest region to identify 7 contractors for further sampling to take place- 3 of which are in Lancashire and South Cumbria. The remaining 10 contractors in Lancashire and South Cumbria will receive an email advising they are an outlier and request they review their systems and procedures to ensure they are meeting the required criteria for claiming.
