Tuesday 29th October 2024

Dear patient,

RE: Proposed relocation of Dr Bello's Surgery and King Street Medical Centre

The lease on our current buildings are due to expire and the most sensible option at this point is to relocate our services into new premises. By doing this, as well as getting best value for money, we can provide our services from a modern purpose-built facility. Our proposal is to relocate services to Acorn Primary Health Care Centre in Blackburn Road, a short distance from our current premises.

What does this mean for you?

Please do not worry. Our priority is to make sure you have continued access to high-quality GP services. All the staff would remain unchanged so you will continue to see the same people for your appointments. The way you contact the surgery would also remain unchanged, with the telephone number for the surgery remaining the same. The only difference would be the location of the practice.

We understand you may have concerns or comments you wish to make about this proposed relocation and will host a drop-in session at the practice on:

Dr Bello's Surgery

Friday 8 November 2024
10am to 11.30am

King Street Medical Centre

Monday 11 November
10am to 11.30am

Patients are welcome to come into the surgery during that time to have a conversation with staff who will be on hand to support you.

Alternatively if you wish to have a say regarding this proposal, an online survey has also been set up at www.lancashireandsouthcumbria.icb.nhs.uk/dr-bellos-king-street, or visit the surgery to pick up a paper copy and hand it in at reception.

Yours sincerely

Dr Gladstone Bello

GP partner
