Child Psychology Service**

We want to keep you and your families as safe as possible

If you or a member of your household have a high temperature, a sudden cough, or any other symptoms, look on the NHS 111 website to check for Coronavirus symptoms and advice. Please do not attend a CAMHS/ Psychology service presenting with symptoms before contacting the service in the first instance.

Appointments

We will continue to offer appointments both initial assessments and follow up appointments, however routine appointments will now be by telephone or Skype where possible. Children, young people and their parents or carers, would be seen in the clinic ONLY if it is seen as urgent. Please call and discuss this with the person your appointment is with if you are concerned.

Prescription requests - CAMHS

Please try giving us 10 working days prior for repeat prescriptions.

We can assure you plans are being made to ensure repeat prescription of medications can be continued.
