

Lancashire and South Cumbria Integrated Care System (ICS)

NHS ENGLAND

NHS England will set strategic aims and priorities and will continue to commission some services at a regional level, providing support to the NHS bodies working with and through the ICS. NHS England will also agree ICBs' constitutions and hold them to account for delivery.

CARE QUALITY COMMISSION

Independently reviews and rates the ICS.

STATUTORY ICS

LANCASHIRE AND SOUTH CUMBRIA INTEGRATED CARE BOARD (ICB)

The most recent national guidance states that this is the new NHS organisation that will be established on 1 April 2022, subject to the Health and Care Bill (2021) being passed. We expect this is likely to be known publicly as "NHS Lancashire and South Cumbria" and will be accountable for NHS spend and performance and responsible for the day-to-day running of the NHS in Lancashire and South Cumbria.

CROSS-BODY MEMBERSHIP, INFLUENCE AND ALIGNMENT

LANCASHIRE AND SOUTH CUMBRIA HEALTH AND CARE PARTNERSHIP

The broad alliance of organisations and representatives concerned with improving the care, health and wellbeing of the population, jointly convened by local authorities and the NHS. The partnership will enable partners to plan for the future and develop strategies using available resources creatively in order to address the longer term challenges which cannot be addressed by a single sector or organisation alone.
